

## Modul

13. 4. a 27. 4. 2011 v odpoledních hodinách

přednášející: **Etienne Augé**

### **Reel illusions: Cinema and Propaganda**

Cinema is an art, an industry and a media, probably the most efficient one to send a message on a large scale. Cinema can educate the masses and win hearts and minds. Cinema can build illusions of reality that dictators and democrats use to establish their power.

This course studies the most effective propaganda cinemas of the 20th century to better understand today's images of manipulation
